MESSAGE FROM THE CHANCELLOR

When we founded Bennett University, the vision was clear: to build a global leader in education, research, and innovation that empowers the higher learning ecosystem. We set out to create a university that prepares young people not just for the careers they will enter, but for the lives they will lead.

From that bold idea, Bennett University has grown into a vibrant and dynamic community of nearly 11,500 and more than 700 faculty/staff members. Each member of this community contributes to an environment that encourages curiosity, critical thinking, collaboration, and a lifelong pursuit of excellence.

The academic year 2024–25 has been a landmark in Bennett University's journey. The University earned NAAC A+ Accreditation, reaffirming its standing as a premier institution committed to academic excellence, innovation, and societal impact. The launch of the School of Artificial Intelligence and the School of Design further strengthen our focus on future-driven education, equipping students with the creativity and technical proficiency essential for tomorrow's world.

In an ever-evolving global landscape, we believe that education must stay ahead of change. Bennett University continues to introduce the most relevant programs and specializations, ensuring that our students are prepared for emerging opportunities in technology, media, management, law, design, and liberal arts. The upcoming Global Pathway Programs will further extend our mission of internationalization, offering students cross-border exposure, joint credentials, and pathways to leading universities worldwide.

Our students have continued to bring pride to the University through national and international honours in academics, sports, and cultural pursuits. Innovation and entrepreneurship remain at the core of our philosophy. Through the Centre for Innovation and Entrepreneurship and the Bennett Hatchery, our students have launched start-ups, developed patents, and demonstrated extraordinary creativity. Their achievements are matched by the remarkable accolades received by our faculty, including global research recognition, international awards, and ranking in the Stanford University and Elsevier "Top 2% Scientists".

Beyond academics, we encourage our students to extend their learning into the world through community outreach, environmental initiatives, and social impact projects. Sustainability has become an integral part of the Bennett experience, reflected not only in our ISO-certified green campus and energy-efficient infrastructure but also in the mindset we nurture among our learners.

As part of The Times Group, Bennett University draws strength from a 187-year legacy of credibility, innovation, and trust. We have always believed that knowledge, when shared with purpose, becomes a powerful force for progress.

As we present this Annual Report, we take pride in reflecting on a year marked by growth, innovation, and achievement. It reaffirms our shared purpose to build a university that continually raises the bar for quality, inclusivity, and impact in higher education. We move forward with renewed energy and commitment to make Bennett University a true global benchmark for academic excellence and transformative learning.

With best wishes,

Vineet Jain
Chancellor, Bennett University

MESSAGE FROM THE PRO CHANCELLOR

Each passing year at Bennett University reaffirms my conviction that great institutions are built not only through vision but through commitment and collaboration. What makes this journey meaningful is the way every achievement, every innovation, and every milestone is driven by people who truly care, our faculty, our students, and our staff who bring Bennett to life every single day.

This year has been a landmark one for us, marked by Bennett University's A+ accreditation by NAAC, a recognition that validates our academic quality, robust processes, and continuous pursuit of institutional excellence. Achievements like these are built through commitment, through systems that work, people who care, and standards that are never compromised.

Our faculty have continued to excel, securing prestigious research grants, national-level recognitions, and international collaborations. Their work spans cutting-edge fields from biotechnology, artificial intelligence and design thinking to law, liberal arts, and media and is steadily expanding Bennett University's academic and research footprint. I am particularly proud of their growing engagement in faculty development and innovation-led projects, which are shaping our next phase of academic transformation.

Our students continue to inspire with their accomplishments across academics, entrepreneurship, innovation, and global exposure. Many have distinguished themselves in national hackathons, legal and management competitions, and media festivals, while others have taken bold steps as founders through the Bennett Hatchery. The university's strong record in placements and internships, along with the expansion of our Global Pathway Programs, has enabled students to gain access to international learning experiences and top-tier global institutions, a true testament to Bennett's world-ready education model.

Equally important is our progress in implementing the National Education Policy (NEP 2020). Through curriculum reforms, digital transformation, and outcome-based learning, we are ensuring that our education remains flexible, interdisciplinary, and future-oriented. Our focus on quality assurance, faculty empowerment, and student engagement continues to reinforce our academic culture of care and accountability.

What truly sets Bennett apart is the shared ownership and pride that runs through our community. Every member of the Bennett community contributes to this momentum, making our campus a place where ideas thrive and people grow together.

As we look to the future, my focus remains on strengthening institutional systems, deepening global partnerships, and nurturing a culture that blends excellence with integrity. Together, we will continue to build Bennett University as a benchmark of innovation, inclusion, and impact.

With pride and heartfelt appreciation,

Revati Jain
Pro Chancellor, Bennett University

MESSAGE FROM THE VICE CHANCELLOR

It gives me immense pleasure to present a snapshot of Bennett University's remarkable journey over the past academic year. As we celebrate our seventh convocation, we reflect with pride on the achievements of our students, faculty, and staff, and look ahead with renewed commitment to our mission of excellence in education, research, and innovation.

From a modest beginning, Bennett University has grown into a vibrant academic ecosystem with over 14,000 students across eight interdisciplinary schools. This year, we confer degrees upon over 1900 graduates, including 25 PhDs, and recognize outstanding academic performance with Chancellor's and Vice Chancellor's medals.

Our research ecosystem continues to thrive, with over 1,270 publications in Web of Science, 3,800+ in Scopus, and 345 patents filed. We have secured over ₹10.5 crore in research grants and ₹5 crore in consultancy projects. The Bennett Hatchery, our on-campus incubator, has supported 60+ startups and received ₹5.5 crore in government funding, furthering our commitment to entrepreneurship.

Global engagement remains a cornerstone of our strategy. With 120+ international collaborations and new MoUs with top institutions like Cambridge and UC Berkeley, we launched India's first Three-Country Program and established the School of Global Pathways to drive internationalization.

Our students continue to excel in academics, sports, and cultural activities, winning 149 medals across national tournaments and hosting flagship events like Sportikon and Euphoria. With nearly 100% placement for eligible students and competitive salary packages, our graduates are well-prepared for the future.

The vision of our Chancellor, Mr. Vineet Jain, continues to guide our path. His commitment to building a globally benchmarked institution rooted in innovation, inclusion, and impact has shaped Bennett University into a dynamic learning community. His emphasis on future-driven education, internationalization, and community engagement inspires us to continually raise the bar in academic excellence and transformative learning.

As we move forward, we remain focused on building a world-class institution rooted in academic rigor, innovation, and societal impact. I extend my heartfelt greetings to the graduating class of 2025 and wish them continued success.

To our graduates—as you step into the world beyond the campus, carry with you the values of integrity, curiosity, and resilience. Let your education be the foundation upon which you build lives of purpose and impact. Dream boldly, act ethically, and never stop learning. The world needs your ideas, your leadership, and your compassion. Go forth and make a difference.

Prof. (Dr.) Raj Singh
Vice-Chancellor,
Bennett University

(g) University Infrastructure

Bennett University, located in Greater Noida, Uttar Pradesh, spans a lush 68-acre campus designed to support academic excellence and student well-being.

i. **Academic Infrastructure**
Bennett University houses 124+ advanced teaching and research labs, including specialized facilities in collaboration with NVIDIA, Dell, and IBM. The campus includes 111 smart classrooms and seminar halls equipped with projectors, audio-visual systems, Wi-Fi/LAN, and ICT tools. A robust Moodle-based Learning Management System supports online learning and enhances the teaching-learning experience.

ii. **Library Ecosystem**
The university offers over 50,000 sq. ft. of automated library space across three facilities—Central Library, Law Library, and Learning Resource Centre—serving students, faculty, and staff.

iii. **Hostel Facilities**
Air-conditioned, gender-segregated hostel blocks accommodate over 10,000 students. Rooms are twin or triple-sharing, equipped with high-speed internet, cable TV, and indoor recreation spaces for table tennis, chess, and carrom.

iv. **Sports and Fitness**
Outdoor facilities include a cricket ground, football field with floodlights, swimming pool, lawn tennis, pickleball, paddle, and volleyball courts. Indoor amenities feature basketball, badminton, squash, table tennis, kabaddi, carrom, chess, billiards, snooker, taekwondo, foosball, and a fully equipped gym with cardio and strength training equipment.

v. **Campus Amenities**
Daily essentials are available at Basiks. Separate salons, laundry services, a courier desk, a 24/7 wellness centre with a 16-bed facility, ambulance services, banking, and pharmacy ensure convenience. The Bennett Swag Store offers university-branded merchandise. GPS-enabled transport services are available for students, faculty, and staff.

vi. **Green and Open Spaces**
The campus features landscaped gardens and open areas that provide a serene environment for relaxation and informal gatherings.

vii. **Dining Facilities**
The two-storey dining facility, Gobble, serves nutritious meals. Additional tuck shops such as Domino's, SnapEat, Maggi Point, and Subway offer quick bites and late-night options.

viii. **Operations and Sustainability**
The university operates under ISO-certified systems with active fire safety measures, uninterrupted power supply (grid and rooftop solar), water treatment and RO plants. Energy-efficient equipment and rainwater harvesting promote sustainability. A dedicated technical team ensures smooth daily operations.

ix. **Digital Infrastructure and Security**
The campus follows a 'One Network One Campus Two Firewall' policy, supported by high-speed 5G connectivity via fibre optics. Over 10,000 IP-enabled devices, including CCTVs and access points, ensure seamless connectivity. Advanced perimeter security includes firewalls and UTM devices. Integrated CRM, LMS, ERP, and alumni software streamline student lifecycle management. Licensed software is provided to all users. The AI-powered helpdesk system, TARA, supports IT-related complaint resolution.

NEP 2020 IMPLEMENTATION

Following the introduction of the National Education Policy 2020 (NEP 2020), Bennett University has remained deeply committed to its comprehensive adoption. In accordance with the Academic Council's guidance, the University has systematically rolled out a series of initiatives in a phased manner to ensure effective implementation and alignment with NEP 2020 mandates.

1. Bennett University is committed to progressively increasing student intake across various programs in alignment with the national Gross Enrolment Ratio (GER) target. During the academic year 2024–25, the sanctioned intake was increased by approximately ~14%, with a proportionate rise in student admissions.

2. The School of Artificial Intelligence (SOAI) was successfully launched in the academic year 2024–25, offering cutting-edge programs aligned with emerging technologies and industry needs. Additionally, a new School of Design (SoD) has also been announced to further strengthen the university's focus on innovation and creativity.

3. The curricula across all programmes, except Law programmes, have been revised and rationalized through the Board of Studies (BoS) and Academic Council (AC) to align with the suggestive guidelines issued by the UGC under NEP 2020. The revised credit structure promotes flexibility, multidisciplinary learning, and enhanced skill orientation.

4. Multiple Entry and Exit options have been introduced across all programs, and the duration of three-year undergraduate programmes has been extended to four years (Honours), in accordance with the provisions of NEP 2020.

5. Lateral entry options have been made available across all undergraduate and postgraduate programs to promote mobility and inclusivity.

6. All programs now follow the Choice-Based Credit System (CBCS). Students are encouraged to create their APAAR IDs, and their earned credits are deposited in the Academic Bank of Credits (ABC) as per the UGC (Establishment and Operationalization of ABC Scheme in Higher Education) Regulations, 2021. Dedicated drives for implementation were carried out for AY 2022–23, 2023–24, and 2024–25 batches.

7. The University recognizes credit transfers from other Universities and Higher Education Institutions (HEIs). Additionally, credits earned by students from foreign universities are duly considered during admission or transfer processes, with equivalence established through the Association of Indian Universities (AIU).

8. All Schools have been encouraged to include courses on Value Education, Yoga, Indian Knowledge System, Indian Classical Literature, and the Glorious Past of India. The University has also initiated the establishment of multidisciplinary research centres with strong industry and societal linkages. Additionally, BU-RISE (Bennett University, Resilient innovation through synergetic education) has been introduced to enhance the delivery of education and promote lifelong learning among students.

9. The University ensures that all buildings and facilities are divyangjan-friendly, providing an inclusive and barrier-free campus environment.

10. The University has a fully functional Office of International Affairs that facilitates international collaborations, higher education opportunities, and global exposure for

students. Bennett University has signed MoUs with over 120+ international institutions, enabling student and faculty exchange programs.

11. Statutory and accreditation-related data are regularly updated on AISHE, SAARTHI, and UTSAH portals in compliance with national standards.

12. The University ensures that at least 95% of faculty members are appointed on a regular/permanent basis against sanctioned posts to maintain academic stability and quality.

13. The University has made all public disclosures and mandatory information available on its official website, promoting transparency and accountability.

14. The University strictly adheres to the UGC Fee Refund Policy, which is publicly available on the institutional website.

15. Scholarships and financial assistance are provided to meritorious and economically weaker students, with the detailed policy available on the University website. Additionally, the Pernod Ricard India Foundation (PRIF) Scholarship for Women has been introduced to encourage and support female students in pursuing in STEAM education.

16. Bennett University has introduced a comprehensive Academic Mentorship and Career Counselling framework, ensuring holistic student development and guidance throughout their academic journey.

17. The University has initiated steps towards offering multidisciplinary minors, internships, and community engagement projects, fostering experiential and outcome-based learning.

18. The Centre for Innovation and Entrepreneurship (CIE) at Bennett University fosters a culture of innovation and entrepreneurship through incubation support, mentorship, and participation in national innovation challenges. The Bennett Hatchery, the University's start-up hub, provides space, funding, and guidance to students, faculty, and staff to transform their ideas into successful ventures.

19. Digital learning and blended pedagogy have been integrated across programs using advanced Learning Management Systems (LMS), MOOCs, and online course integration under SWAYAM and NPTEL.

20. The University received NAAC A+ Accreditation in AY 2024–25 for the assessment period 2018–19 to 2022–23, reinforcing its commitment to quality education, institutional excellence, and adherence to NEP 2020 principles.

ACADEMIC EXCELLENCE

(a) School of Computer Science Engineering and Technology

1. About School

The School of Computer Science Engineering and Technology at Bennett University stands as a beacon of innovation, excellence, and global engagement, carrying forward the 186-year legacy of *The Times Group*. Accredited with an A+ grade by NAAC and recognized by the UGC and AIU, the school blends academic rigor with real-world exposure to prepare students for leadership in the digital era.

Our programs in Artificial Intelligence, Data Science, Cyber Security, Cloud Computing, and Blockchain are designed in collaboration with industry leaders and taught by a distinguished faculty—over 90% of whom hold doctoral degrees from IITs, NITs, and Central Universities. With a dynamic community of scholars, researchers, and innovators, the school embodies one of India's most vibrant technology ecosystems.

Its research strength is reflected in 100+ patents, 30+ funded projects, and 600+ Scopus-indexed publications. Through collaborations with leading global institutions such as the University of California, Berkeley, and the National University of Singapore, and initiatives like the Bennett Hatchery, nurturing over 50 startups, SCSET continues to empower ethical, enterprising, and future-ready leaders—driving India's digital transformation and global impact.

5. Achievements/Awards (National/international) Won by Faculty Members During the AY 2024-25:

i. Dr. Abhishek Tiwari was invited as a Keynote Speaker at ICAMDS-2025 held on February 8–9, 2025 at MIT Kundapura.

ii. Dr. Abhishek Tiwari received recognition for scientific contribution at ICPR 2024 held from December 1–5, 2024 at Biswa Bangla Convention Centre, Kolkata.

iii.   Dr. Abhishek Tiwari served as a reviewer at ICPCT-2025 held on February 8–9, 2025 at GL Bajaj Institute of Technology & Management, Greater Noida.

iv.   Ms. Akansha Singh received a Certificate of Appreciation in INSPIRE–MANAK 2024–25 during the felicitation ceremony held on September 19, 2024 at Vigyan Bhawan, New Delhi.

v.   Dr. Ambrish Kumar served as Academic Mentor in the IEEE EMBS Student Mentorship Program held from July to December 2024.

vi.   Dr. Ambrish Kumar received a reviewer certificate for Discover Electronics (Springer) during the open-access review cycle concluding in September 2024.

vii.   Dr. Amit Soni received a Certificate of Recognition at AAI-2024 during the 2AI Conference held from July 2–4, 2024 at Solan, Himachal Pradesh.

viii.   Ms. Ankita Sharma completed the "AI for All" online skilling course in August 2024 under the national awareness initiative.

ix.   Dr. Anurag Goswami chaired a session at IACC-2024 held on December 13, 2024.

x.   Dr. Ashish Kumar served as a reviewer in INSPIRE–MANAK 2024–25 during the national evaluation phase held in September 2024.

xi.   Dr. Ashutosh Srivastava chaired a session at IACC-2024 held on December 13, 2024.

xii.   Dr. Ashwani Kumar was recognized for outstanding contribution to science and research at ICAISTI-2024 held on August 24, 2024.

xiii.   Dr. Ashwani Kumar was listed among the World's Top 2% Scientists by Elsevier–Stanford University in the dataset released on September 17, 2024.

xiv.   Dr. Debjani Ghosh completed the NPTEL course "Internet Protocol" offered by IIT Kharagpur in April 2024.

xv.   Dr. Debjani Ghosh received the Best Paper Award at IEEE IEACon 2024 held from August 21–23, 2024.

xvi.   Ms. Dimple Sethi received a Certificate of Appreciation at ICCCNet-2024 held from August 1–3, 2024 at Manchester Metropolitan University, UK.

xvii.   Mr. Dinesh Sahu was named Infosys SPOC of the Month for March 2025, announced on April 17, 2025.

xviii.   Dr. Divya Srivastava chaired a session at IACC-2024 held on December 13, 2024

6. MOUs Signed by the School & its Activities

1. May 8, 2025: MoU was signed between Bennett University and UiPath to promote automation and digital transformation in education.

2. December 3, 2024: MoU signed between Samsung Display Noida and Bennett University, under which Bennett will be delivering AI-based projects and providing training to Samsung employees.

Bennett University will receive ₹30,74,456 (Thirty Lakh Seventy-Four Thousand Four Hundred Fifty-Six Rupees) for this training and consultancy initiative.

3. June 24, 2025: MoU signed between Apple and Bennett University, allowing the university to conduct Apple-certified education and training programs using official Apple course materials, under Apple's brand and quality standards.
4. July 23, 2024: MoU signed with Universitas Airlangga, Indonesia, under the Global Immersion Program for student mobility, faculty mobility and joint research. Under the MoU, 44 students from different school (including SCSET) attended 10 days summer school from 24 August to 4 September 2024.
5. January 31, 2025: MoU signed with SEPR University, under the Internship Abroad Program. Under the MoU, 14 students from different schools (including SCSET) attended a 11 day internship program from 7th January to 18th January 2025.

7. Labs and Equipment

Our department stands as a beacon of innovation, equipped with 71 advanced laboratories and over 1300 high-performance computers, including desktops, workstations, and Mac systems. Among these are 3 research labs, 3 Mac labs, 2 AR-VR gaming labs, 1 IoT specialization lab, and 1 drone research lab, all designed to foster hands-on learning and discovery. This year alone, we have established 9 new labs, introducing cutting-edge technologies such as the Creality K1 Max AI Speedy 3D Printer, HALOT-MAGE PRO, and Resin Printers, significantly enhancing our capabilities in IoT and product design. Our infrastructure also includes the Nvidia DGX supercomputer, NAO V6 humanoid robot, and high-end AR-VR and drone equipment — empowering our students to explore the frontiers of artificial intelligence, robotics, and immersive technologies.We continue to strengthen our Centers of Excellence and global collaborations with ICT Academy, NIIT Foundation, and CISCO Networking Academy, offering students internship and certification pathways aligned with industry needs. The addition of 135 high-end all-in-one desktop PCs—featuring Intel i7 processors, 16GB RAM, and NVMe SSDs—marks a major leap in digital learning infrastructure. Our memberships with Unity Academic Alliance, Coursera (Microsoft), and Xebia's DevOps and Full Stack programs, along with EC-Council cybersecurity certifications, have broadened the horizons of skill-based education. These milestones reaffirm our university's mission — not merely to keep pace with technological advancement, but to lead, shape, and inspire innovation that transforms society.

8. Guest Speakers & International Guest Visits to School

Sl. No.	Name of Visitor	Date of Visit	Purpose
1	Prof. Robin Banerjee, Mr. Marcus Williams, Mr. Peter Boddy (University of Sussex, UK)	29-04-2025	Strategic visit for discussions on internationalization, student mobility, and partnerships
2	Ms. Gunjan Saini (General Manager, Xebia)	03-04-2025	Student session on communication, resume writing, and time management
1	Dr. Anamika Yadav (NIT Raipur), Dr. Smita Sharma (NIELIT), Dr. Neelam Srivastava (IET Lucknow), Ms. Anubha Krishna (Bank of Baroda)	08-03-2025	Expert talks at the 1st Hybrid Meet of IEEE BU Women in Engineering (WIE)
2	Mr. Talha Javed (Senior Manager, EC Council)	28-02-2025	Expert talk on "Computer Hacking Forensic and Investigation"
3	Mr. Mudit Khetan (Principal Consultant, DataCouch, Chandigarh)	27-02-2025	Expert talk on "Introduction to Blockchain Technology"
7	Mr. Viswa Deep (Engineer, Synopsis)	11-11-2024	Expert talk on "Role of Verilog HDL in Industrial Applications"
6	Dr. Deepak Berwal (Director, iSmoke Solutions Pvt. Ltd., Hyderabad)	07-11-2024	Expert talk on "Advancing Healthcare Technology with Instrumentation Amplifiers"

9. Field Visits by Students

i.   A field visit was organized on 16th October 2024 to Ingenuity Gaming, Noida, Uttar Pradesh. The one-day visit aimed to provide students with insights into the gaming industry's corporate culture and technological workflows, helping them understand real-world applications of their academic learning.

ii. On 18th October 2024, students visited Xebia, Gurgaon for a one-day industry engagement focused on placement opportunities, technical advancements, and project-based learning in DevOps and Full-stack domains. The visit also included discussions on Microsoft industry certifications for BU students.

iii. A one-day field visit was conducted on 19th October 2024 to GFG Headquarters, Noida (Sovereign Corporate Tower, Sector 136). The visit aimed to motivate students to enhance innovation, teamwork, and problem-solving skills through real-world hackathon exposure.

iv. On 23rd October 2024, students participated in the Bharat Blockchain Yatra Grand Finale 2024. The event promoted blockchain innovation by uniting academia, industry, and government to foster digital transformation, skill development, and entrepreneurship.

v. A one-day visit was organized on 15th November 2024 to Coding Blocks, Noida (A-73, Sector 2). The visit aimed to enhance students' understanding of skills required to excel in product-based companies and the broader tech industry.

10. Student's Achievements

i.   Six SCSET students, Jashanpreet Kaur, Nehal Singh, Avneet Kaur, Ishika Chauhan, Aditya Purohit, and Madhav Tyagi (E23CSEU0897 E23CSEU0781 E23CSEU0852 E23CSEU0941 E23CSEU1141 E23CSEU2457, BTech Batch 2023-27) won the prestigious Smart India Hackathon 2024 for their project in the "Smart Automation" track. The competition was conducted between 11 December to 12 December 2024.

ii.   Rishabh Raj and Shruti Pandey of SCSET (S24CSEU2489, S24CSEU0527, BTech Batch 2024-2028) won First Prize (Gold Medal) at the national-level hackathon CODE ODYSSEY held at IIMT College of Management.

iii. Venugopal Chepuri (E24CSEU2435 BTech Batch 2024-28) achieved third place at the zonal level in the prestigious TATA Crucible Campus Quiz 2024.

iv. CSET Students (Harshith, Rishab, Shruti, and Siddhartha) of BTech Batch 2024-28 achieved third place at the Bharat Shiksha Expo Hackathon 2024, held on November 13th 2024, at Noida City Expo Center, Greater Noida, UP.

v. Nilay Gupta (E22CSEU1318, B.Tech. Batch 2022-26) successfully completed Google Summer of Code 2024 Program, where he developed open-source software for The Honeynet Project.

vi. Parth Mishra (E22CSEU1248, BTech Batch 2022-2026) won second position in the IGC RDC competition at state level NCC camp, as the lead instrumentalist in the Ghaziabad group.

vii. Avish Mehta (E22CSEU1563, B.tech Batch 2022-2026) won second prize at Desert Duel competition, under the Western Solo Dance category, held between 25 October to 27 October 2024, at Pilani, Rajasthan.

viii. Five SCSET students won the Project showcase competition held at Bennett University on 21 October, 2024.

(b) School of Engineering and Applied Sciences

1. About School

The School of Engineering & Applied Sciences (SEAS) at Bennett University is a premier hub for engineering education, research, and innovation. The school boasts a distinguished faculty, all holding PhDs from top Indian institutes or renowned international universities, many with postdoctoral experience.

SEAS emphasizes a seamless integration of theory with hands-on practice, ensuring students gain practical skills alongside conceptual understanding. Guided by its vision to be a leading centre of excellence, the school is committed to nurturing skilled engineers who drive technological advancements and societal progress. Its mission focuses on providing high-quality education, fostering cutting-edge research and innovation, promoting experiential learning through industry collaborations, and instilling professional ethics and social responsibility. SEAS prepares graduates to tackle real-world challenges, embrace entrepreneurship, and contribute meaningfully to the global engineering landscape.

2. Programmes Offered & Enrolled Students Details

| Programme	Number of Students
Bachelor of Science - Physics (Hons)	6
Bachelor of Technology (Biotechnology)	119
Bachelor of Technology (Electronics and Communication Engineering)	74
Bachelor of Technology (Electronics and Computer Engineering)	31
Bachelor of Technology (Engineering Physics)	13
Bachelor of Technology (Mechanical Engineering)	48
Integrated Bachelor of Technology - Master of Technology (Biotechnology)	27

3. Events Organized by School (Including internal & external resource persons)

i. The Department of Biotechnology hosted an insightful lecture titled *"An Evolutionary, Complex System Perspective on Biology,"* by Dr. Dhiraj Kumar, Group Leader at the International Centre for Genetic Engineering and Biotechnology (ICGEB), during the SEAS Orientation 2024 held on August 8, 2024

ii. Prof. Ashutosh Kumar from the Department of Biosciences and Bioengineering, IIT Bombay, for delivered an enlightening lecture on "NMR: An Indispensable Tool for Drug Design, Development, and Delivery" on 9th October 2024.

iii. Department of Biotechnology (SEAS) has organized a guest lecture by Prof. Vikas Gautam (MD, PhD, MAMS, Professor, Medical microbiology, PGIMER, Chandigarh) on "Innovative Modalities to tackle the menace of AMR" on 18th October 2024 (Friday) from 12.40 – 1.30 pm in room 106-N-CB.

iv. National Seminar on Environment and Sustainability organized by Department of Biotechnology SEAS on 14th November 2024 from 10:30 AM to 1:30 PM in ALH-002-A Block.

v. SEAS (all 4 Departments) organized as event "IDEATHOD 3.0" with the concept of novel idea from B. Tech students to solve real life problems on 21st November 2024 from 12:00 PM to 4:00 PM at 009-NA and 006-NLA.

vi. On 8th December 2024, the Department of Biotechnology, SEAS hosted an Institutional Biosafety Committee (IBSC) meeting to review and strengthen laboratory biosafety practices.
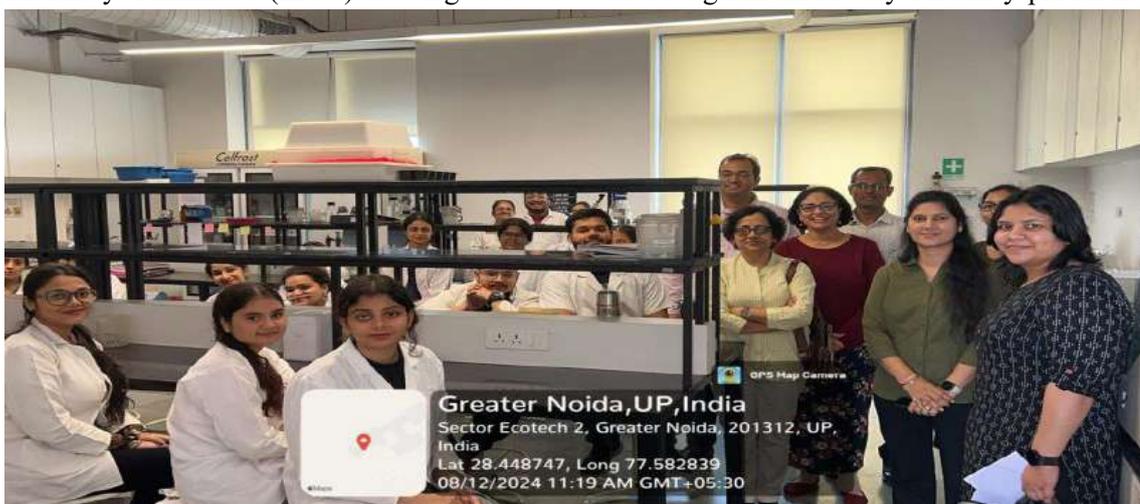

vii. The Department of Biotechnology organized a Guest Lecture on 13th January 2025 by Dr. Akash Bachhuka, Junior Group Leader at the Institute of Chemical Research of Catalonia (ICIQ), Barcelona, Spain.

viii. Department of Biotechnology and the Centre of Excellence for Nanosensors and Nanomedicine at SEAS, Bennett University, organized an International Conference on "Advancements and

Innovations in Biotechnology (ICAIB-2025)" on February 18, 2025!
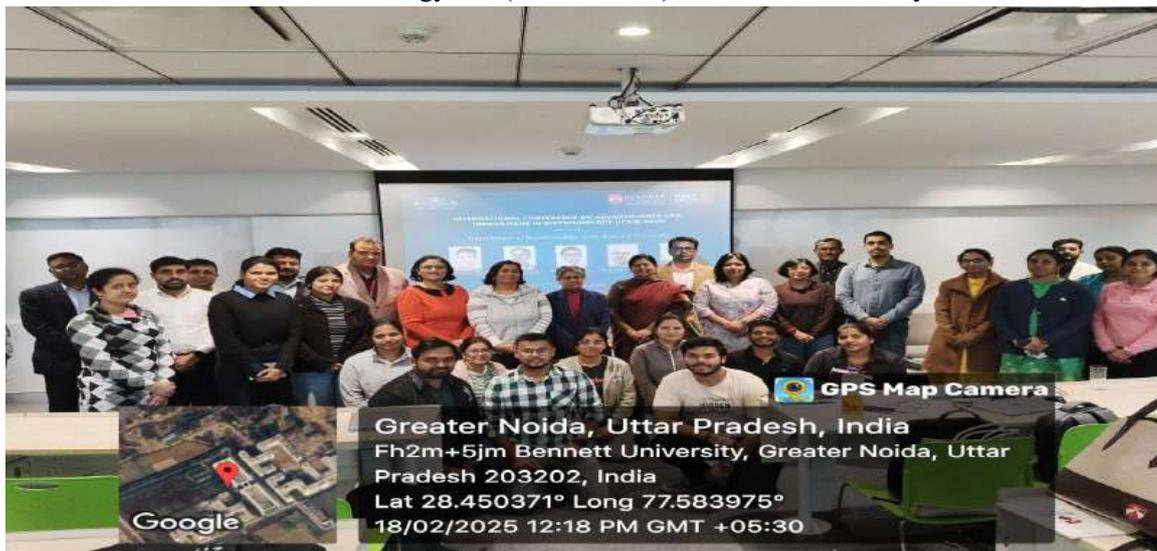

ix. "The National Science Day" on February 28, 2025, organized by the School of Engineering & Applied Sciences (SEAS) in collaboration with the University Women Development Cell. (UWDC)

x. Department of Biotechnology hosted an insightful webinar by Dr. Sarath Janga, Associate Professor of Bioinformatics and Data Science at Indiana University Indianapolis, on "INSIGHTS ON BIOINFORMATICS".

xi. The School of Engineering Applied Sciences (SEAS) and the School of Artificial Intelligence (SOAI) organized a thought-provoking seminar titled "Harmony in Progress: Research, Technology, and Spirituality" held on 21st March 2025.

xii. Department of Biotechnology organized a workshop on "Biosafety and Good Laboratory Practices" on 14th May 2025.

xiii.   As part of the SEAS I.G.N.I.T.E. Series (Inspire, Grow, Network, Innovate, Transform, Enrich), Bennett University hosted a seminar on September 27, 2024, featuring distinguished speakers from Norway. The session included an introductory talk by Mr. Svein Olaf Olsen, CEO & Founder of Taslohe Invest AS and Phase Link Antennas, followed by a keynote lecture titled "Future 5G Antennas for mm-wave Communication" delivered by Dr. Ashok Kumar, a Postdoctoral Research Fellow from UiT The Arctic University of Norway
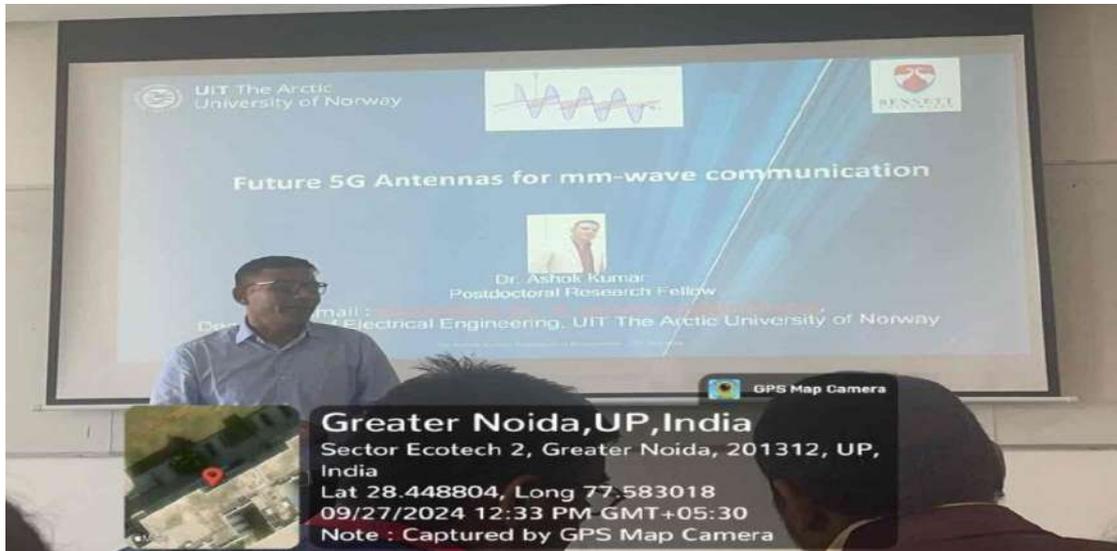

xiv.   Electronics and Communication Engineering Department under School of Engineering and Applied Sciences organized an Invited Talk on "Harnessing Non-Contact Ultrasound for Innovation Across Healthcare and Industrial Applications" by Dr. Nishal Ramadas 6th Feb, 2025
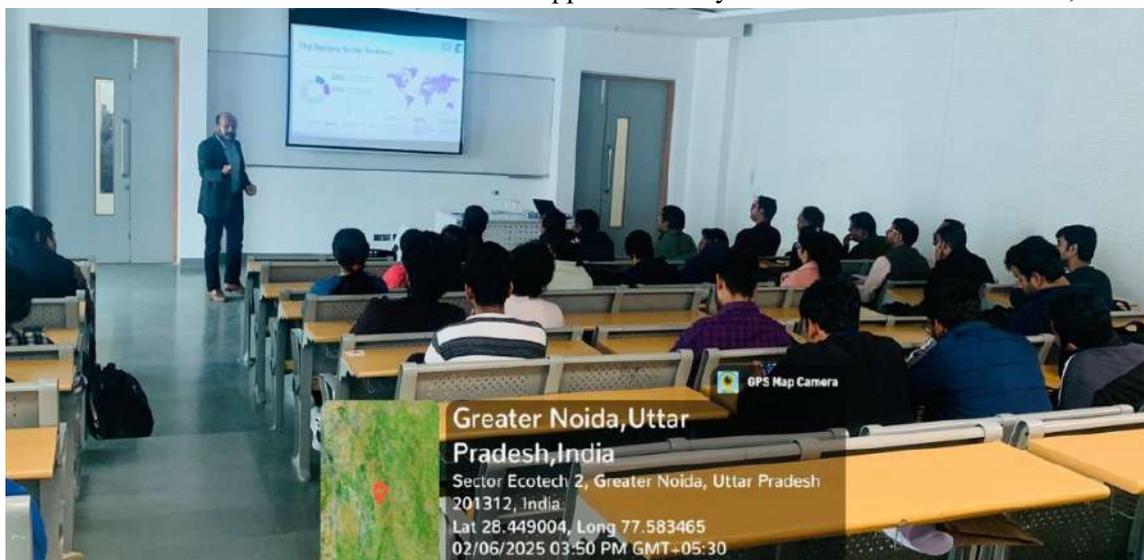

xv.   A one-day workshop on "Mastering MATLAB: A Hands-on Training Experience" was organized by ECE Department on 27th March 2025 . Mr. Pratyush Roy, Engineer, MathWorks India Inc. delivered the hands-on session.

xvi.   ECE Department organized an expert talk on "Becoming an Effective Electronics Engineer to Crack Top Electronics Jobs" by Mr. Mohit Kumar, Staff Engineer, Renesas on 29th April 2025.

xvii.   The Electronics and Communication Engineering Department at Bennett University hosted an invited talk by Dr. Ashwini Kumar Arya on 8th Nov 2024 titled "Antenna: Key Component for IoT Applications."

xviii. As part of the B.Tech Orientation Program (Deeksharambh) organized by the Department of Electronics and Communication Engineering (ECE), School of Engineering and Applied

Sciences, Bennett University, an invited talk was delivered by Prof. Subrat Kar from the Indian Institute of Technology Delhi on 9th August 2024 titled *"Fun-gineering – Managing to Have Meaningful Fun While Doing Engineering.*

xix. Expert Talk & Discussion on "Unlocking the Power of AI & ML in Mechanical Engineering" Artificial Intelligence and Machine Learning are transforming the landscape of Mechanical Engineering—redefining design, automation, and optimization like never before dated 17th March 2025 by panellists Dr. Vijay Kumar Jatti, Mr. Srepalli Sri Rama Murty and Mr. C.S.N. Murthy

xx. Two Days International Conference on IPSR 2025 was conducted by SEAS Bennett University with collaboration of University of Birmingham UK on 10-11 March 2025

xxi. Expert Talk By Shri Ravindra Kumar Goel, Principal Executive Director at Railway Board - Indian Railways on dated 10th March 2025

xxii. Alumni Session, held on 20th January 2025, by Mr. Nikhil Saraswat, Chalmers University Sweden for B. Tech Engineering Physics Students.

xxiii. Student Research Conference, Ampere 2025, jointly organized by Department of Physics, Bennett University, Shiv Nadar University and Gautam Buddha University 7th to 10th April 2025.

xxiv. Alumni session, held on 24th April 2025, by Mr. Aakash Warke, Johannes Gutenberg University of Mainz, Germany for B. Tech Engineering Physics Students.

xxv. Research lecture "Nonlinear dynamics and Chaos in agricultural off-road vehicles for safety and smart agriculture" held on dated 7th May 2025 by Dr. Masahisa Watanabe, Assistant Professor, Tokyo University of Agriculture and Technology, Japan for UG Students, PhD scholars and faculties.

xxvi. Research lecture "Highly entangled behavior of spin, lattice, dipole, and phonon properties in a helical magnet" held on dated 16th May 2025 by Dr. Arkadeb Pal (Marie Skłodowska-Curie Actions (MSCA) Individual Postdoctoral Fellow, Faculty of Science & Engineering, University of Groningen, Netherlands) for UG Students, PhD scholars and Faculties.

xxvii. On 15th March 2025, Prof. Vijaykumar S Jatti, Department of Mechanical Engineering, Bennett University, conducted an Admission Webinar at Unique Classes, Pune. The session was attended by 100+ enthusiastic students, eager to explore opportunities in engineering education and career growth.

5. Achievements/Awards (National/international) Won by Faculty members During the AY 2024-25:

i. Dr. Vaishali Verma won the Best Oral presentation Award at Research in Progress organised by Royal Society of Tropical Medicine and Hygiene on 24th August 2024.

ii. Dr. Ankit Kumar Pandey Joined the editorial board member of journal Scientific Reports (in Photonics area) in Oct 2024.

iii. Dr. Ankit Kumar Pandey ranked in the top 2% of the most-cited scientists in the world for the year 2020, 2022, 2023 and 2024. Dr. Ankit Kumar Pandey received "Editor of Distinction Award" for editorial contribution in Springer Nature (May 2025).

iv. Prof. Mohammed Usman joined as collaborator with "AI in Education at the University of Oxford (March 2025).

v. NSS Felicitation Ceremony 2024–25 | Bennett University, on May 23, 2025 Prof. Deepali Atheaya (NSS Coordinator) & Dr. Jiyaul Mustafa (NSS Member)

vi. <u>Dr. Baij Singh</u>, Assistant Professor, <u>Department of Mechanical Engineering, Bennett University</u>, has published a research paper in the prestigious SCIE-indexed journal Wave Motion (Impact Factor: 2.1).

vii. Dr. <u>Neelanchali Asija Bhalla</u> has completed a 4-Days DST sponsored workshop on 'Women in Space and Allied Sciences Leadership Training Program (WiSLP)', organized by the WISE-KIRAN division, Department of Science and Technology, in collaboration with the British Council under the UKEIRI – UK-India Education and Research Initiative), held at IIT Indore from 18th to 21st Feb 2025.

viii. Dr. Jiyaul Mustafa received fellow member from Institution of Engineer, kolkata India. 22 March 2025

ix. Dr. Neelanchali A Bhalla, Prof. Deepali, Dr. Abhishek Singh, Dr. Jiyaul Mustafa, Prof. Vijay Kr Jatti, Dr. Baij Nath Singh and Dr. Mohammad Danish were session chair in International conference in IPSR conference organized by Bennett University and University of Birmingham 10-11 March 2025

x. Dr. Jiyaul Mustafa attended as Session chair in RTREAET 2025 conference organized by Mewat Engineering College, Nuh Haryana on dated 19-20 March 2025.

xi. Dr. Vijaykumar S Jatti conducted invited talk in Two-Days (5-6 Dec 2024) symposium on "Light Weight Composite Materials and Their Applications"

xii. Dr. Vijaykumar S Jatti conducted invited talk during ATAL FDP (7 Dec 2024) on Manufacturing Execution System.

xiii. Dr. Deepali Atheaya as Chief guest for Kriti 2024 Inter school design thinking and innovation exhibition in collaboration with Atal tinkering lab under the aegis of MoE's innovation cell (Government if India) at Kothari International school dated 18th December 2024

xiv. Dr. Neelanchali Asija Bhalla attended one-week Short Term Training Program on 'Generative AI: A Comprehensive Approach to Research Writing, Proposal Development and Funding' from 25th to 30th November 2024.

xv. Dr Deepali Atheaya attended short term course International Faculty Development Program on "Transformational Power of AI" (November 25 - 29)2024.

xvi. Dr. Soumyendu Roy: Member of Editorial Board of Scientific Reports, pub. by Springer Nature, USA (SCI indexed, IF = 3.8),

xvii. Dr. Soumyendu Roy: Member of Editorial Board of International Journal of Energy Research, pub. by John Wiley & Sons, USA (SCI, IF = 4.3),

xviii. Dr. Soumyendu Ro: Member of Editorial Board of Nanomaterials and Nanotechnology, pub. by John Wiley & Sons, and SAGE Publishing, USA) (SCI, IF = 3.1)

xix. Dr. Sachin Gupta: Member of Editorial Board of Scientific Reports, pub. by Springer Nature, USA (SCI indexed, IF = 3.8),

xx. Dr. Sachin Gupta: Member of Editorial Board of Discover Applied Sciences, pub. by Springer Nature.

xxi.   Dr. Sachin Gupta: Editor, Special Issue, Journal Biosensors MDPI, (Q 1, IF: 5.6).

xxii.   Dr. Sachin Gupta was awarded an IEEE Senior Membership.

6. MOUs Signed by the School & its Activities

i.   **16 April 2025:** MoU was signed between Regional Centre for Biotechnology, Faridabad and Department of Biotechnology, Bennett University on 16th April 2025. RCB will provide incubation facilities in BSC BioNEST Bioincubator referred as BBB.

ii.   **6th March 2025:** MoU between Bennett University, Department of Mechanical Engineering (SEAS), and Verdant Motors Pvt Ltd, Greater Noida

iii.   **6th March 2025:** MoU between Bennett University, the Department of Mechanical Engineering (SEAS), and VS Energy Technology, Greater Noida.

iv.   **6th March 2025:** MoU between Bennett University, Department of Mechanical Engineering (SEAS), and Nextup Robotics Pvt Ltd.

7. Labs and Equipment

The School of Engineering & Applied Sciences at Bennett University offers a robust ecosystem of innovation and experiential learning through its advanced laboratories and research centres. With over 20 specialized labs spanning biotechnology, electronics, communication, physics, and nanoscience, students gain hands-on exposure to cutting-edge tools and techniques. Facilities include bioreactors, PCR systems, fluorescence microscopes, VLSI simulation platforms, PCB milling machines, and software-defined radios. Physics labs support foundational and advanced experiments in optics, electromagnetism, quantum mechanics, and spectroscopy. The Centre of Excellence for Nanosensors and Nanomedicine fosters interdisciplinary research in diagnostics, drug delivery, and environmental monitoring, offering capabilities for nanoparticle synthesis and sensor fabrication. All labs are supported by trained staff, calibrated instruments, and SOPs to ensure safe, reproducible experimentation across B.Tech, M.Tech, and Ph.D. programmes. This infrastructure empowers students to bridge theory and practice, preparing them for industry and research excellence.

8. Guest Speakers & International Guests Visited to School

Sl. No.	Name of Visitor	Date of Visit	Purpose
1	Dr. Akash Bachhuka	31-01-2025	Guest lecture on chemical research and catalysis
2	Dr. Soodkhet Projprapai	18-02-2025	Keynote at ICAIB-2025 on biotechnology and nanoscience
3	Prof. Pietro Tricoli & Prof. Krishnan Venkateswaran	10-03-2025 To 11-03-2025	International Conference on Innovative Power Systems for Railways (IPSR 2025)
4	Dr. Ashok Kumar	27-09-2024	SEAS I.G.N.I.T.E. seminar keynote on advanced research
5	Dr. Nishal Ramadas	06-02-2025	Invited talk on non-contact ultrasound innovation
6	Prof. Fedor Ivanov	09-06-2025 to 13-06-2025	Faculty Development Workshop on modern error correction codes
7	Prof. Rajneesh Tyagi & Prof. Sawan S. Sinha	09-04-2025	Board of Studies Meeting, Mechanical Engineering
8	Prof. Rajiv Dubey	24-08-2024	Interaction with students on higher studies at USF
9	Prof. Nigel Copner	27-11-2024	Visit to Advanced Optics & Magnetic Resonance Lab

10	Dr. Masahisa Watanabe	07-05-2025	Academic interaction and research engagement
11	Dr. Arkadeb Pal	16-05-2025	Research collaboration and academic exchange
12	Prof. Anirban Chakraborti	07-04-2025	Academic visit and expert interaction

9. Field Visits by Students

i. **September 13, 2024:** The Department of Biotechnology organized a field trip to the prestigious Global Bio-India 2024 event, providing students and faculty members with an exceptional opportunity to experience the forefront of biotechnology innovation. During the visit, students engaged in insightful discussions with industry experts, explored emerging startups, and learned about cutting-edge technologies shaping the global biotech landscape. Such experiential learning opportunities broaden perspectives and inspire our students to explore new frontiers in biotechnology.

ii. **November 8, 2024:** The Department of Biotechnology organized an enriching visit to CSIR-IGIB on November 8, 2024, providing students with valuable learning opportunities and engaging discussions. We are deeply grateful for the inspiring talk presented during the India International Science Festival 2024 curtain-raiser ceremony, led by the Director of CSIR-IGIB, which motivated us all toward innovative futures.

iii. **April 30, 2025:** Department of Biotechnology organized a field trip to Startup Mahakumbh 2025: Students from the School of Engineering and Applied Sciences (SEAS) had an incredible experience attending Startup Mahakumbh 2025 at Bharat Mandapam, New Delhi.

iv. **November 21, 2024:** Electronics and Communication Engineering Department students and faculties visited Central Electronics Engineering Research Institute (CEERI), Pilani, Rajasthan on November 11, 2024. Students learn about the products developed by this esteemed institute scientists over the years since 1953. They have explored TV, magnetron-based device, MEMS sensors, embedded system products like milk adulteration measurement, and imaging-based instruments.

v. **October 24, 2024:** An industrial visit to India Mobile Congress (IMC) 2024 was organised on 16 October 2024. Faculties Dr. Rohan Katti and Dr. Mahesh Kumawat along with a batch of 30 students from B.Tech. ECE second and third year programs had an opportunity to attend the India MobileCongress (IMC) 2024.

vi. **February 12, 2025:** The Department of Electronics and Communication Engineering conducted an industrial visit to MediaTek Noida on 12th February 2025. The visit was coordinated by Dr. Rahul Mukherjee.

vii. **April 5 2025:** SEAS students actively participated in Startup Mahakumbh 2025, one of the largest startup and innovation events in the country. They engaged with entrepreneurs, investors, and industry leaders, gaining valuable insights into emerging trends and startup ecosystems

viii. **November 11, 2024**: Students of ECE, (SEAS) Bennett University visited Semicon 2024, held both at the BU campus and at India Expo Mart in Greater Noida, Uttar Pradesh.

ix. **February 28th – 1st March 2025:** Mr. Sushil Madheshiya has successfully presented his research paper titled "Supervised Machine Learning Classifier for Mechanical Property Estimation of FSSW Acrylonitrile Butadiene Styrene Sheet in Butt Configuration" guided by Prof. Vijaykumar S Jatti and Dr. Jiyaul Mustafa, Ph.D. at the "International Conference on Innovation in Computing and Engineering"

x. **November 13th 2024:** Industrial Visit to 4D Simulations, Noida – Expanding Horizons in Advanced Manufacturing

Project Showcase Event on 21st Oct 2024

xi. **November 18, 2024:** A group of 18 visitors (4 faculties and 14 students) from the department of Physics visited the Aryabhatta Research Institute of Observational Sciences (ARIES), Nainital on 18ᵗʰ November 2024. There were several productive interactions with scientists in ARIES. The faculties and students observed "Sunspots" and "Solar Flares" through a solar telescope. Also "Saturn Ring", "Ring Nebula" and a "Double Binary Star" were observed at night (6:30 pm onward)

10. Student's Achievements

i. Ms. Falguni Agrawal and Mr. Rishabh Rajkumar Jadhav, Ph.D. research scholars under the supervision of Dr. Deepa Khare, secured 1st and 3rd positions, respectively, in the "3-Minute Thesis Competition" organized by the School of Management, Bennett University, on August 23, 2024. Their outstanding presentations earned them cash prizes and recognition for excellence in research communication.

ii. Ms. Shruti S., a 4th-year B. Tech Biotechnology student from School of Engineering and Applied Sciences, Bennett University, was selected for a semester exchange program at National Taiwan University in August 2024. This international immersion offers her a valuable opportunity to gain global academic exposure and cross-cultural learning experience.

iii. Abhavya Raja, a 3rd-year B.Tech Biotechnology student, has published her first review article in Molecular Biotechnology. The article highlights advancements and challenges in next-generation therapeutic antibodies for cancer treatment, reflecting her dedication to research and scientific writing under the guidance of Dr. Vaishali Verma.

iv. Palak Sharma, a 3rd-year B.Tech Biotechnology student, secured 4th rank individually and with her team Helioquest at the Smart India Hackathon 2024. This accomplishment reflects her problem-solving skills, innovation, and teamwork in a highly competitive national-level event.

v. Nimitt Jain, Aarav, and Om Upadhyay, 4th-year B.Tech Biotechnology students, showcased their startup VirdionX at the Investor Pitching Day and Startup Showcasing event organized by Bennett University & Bennett Hatchery Foundation on 22nd October 2024. Under the mentorship of Dr. Varun Vyas, they presented their next-generation biodegradable leather, engaging with investors and innovators, and demonstrating entrepreneurship and innovation in sustainable biotechnology.

vi. The team of Mr. Shubham (B.Tech 3rd-year student), Kartik Bhatnagar (Ph.D. student), and Prof. Sarika Chaudhary won the 2nd Best Poster Prize at the event, highlighting the innovative research and exceptional talent within the Department of Biotechnology community.

vii.   Chinmayee Tiwari, B.Tech Biotechnology (Batch 2022–2026), secured a Gold Medal in Taekwondo at the BITS Open Sports Meet 2024, held from 18th to 22nd September 2024, showcasing outstanding skill and sportsmanship.

viii.   Kirtivardhan Sheakhawat, 4th year, B. Tech Biotechnology student was selected to pursue a prestigious Research Internship program at Iowa State University in Spring 2025.

ix.   Tanisha Anand (B.Tech Biotechnology, 2021-2025) presented a poster and delivered a talk on "Transcription Factor Interactions in Cancer: A Network-Based Approach and Unveiling Drug Targets" at the International Conference on Innovations in Biotechnology for Sustainability (IBS-2024) held at JNU, New Delhi, from November 23–25, 2024.

x.   Ms. Falguni Agrawal and Ms. Simran Jatwani, Ph.D. research scholars under the supervision of Dr. Deepa Khare, secured 3rd position for poster presentation, in a conference oragnized by Sharda University on December 20-21, 2024.
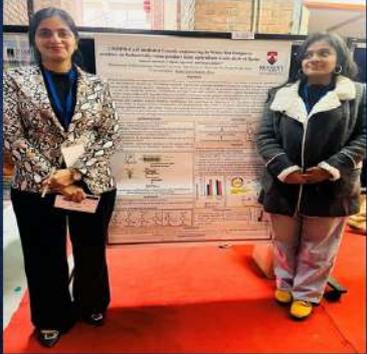

xi. Ms. Laiba Noor and Mr. Abhishek Kasana, Ph.D. research scholars under the supervision of Dr. Vibhuti Joshi and Dr. Vaishali Verma, secured 2nd and 3rd position for poster presentation, in a conference organized by JIIT, Noida on 29-31 January 2025.

xii. Ms. Subhashini, B. Tech Biotech 3rd year student, secured AIR 349 in GATE Biotechnology exam conducted in February 2025.

xiii. **Ms. Aayushi,** 3rd year student received prestigious Khurana fellowship for Summer internship at University of Oklahama, USA.

xiv. Undergraduate students **Mr. Kirtivardhan Singh Shekhawat and Mr. Piyush Bhatia**, under the guidance **of Prof. Sarika Chaudhary**, successfully published their research manuscript titled "Roadmap to Cytotoxicity: Exploring Assays and Mechanisms", highlighting their contribution to advancing knowledge in cytotoxicity assessment and mechanisms.

xv. Mr. Mantra Bhatnagar (E23EECU0002) from ECE (SEAS) Bennett University presented a research paper titled "Next-Generation Railway Systems: Advancing Efficiency, Safety, and Sustainability Through Technology", co-authored by Dr. Priyanka Mathur, in the International Conference on Innovative Power Systems for Railways (IPSR 2025) held during 10–11 March 2025 at Bennett University, Greater Noida (UP), India.

xvi. Mr. Mantra Bhatnagar (E23EECU0002) from ECE (SEAS) secured 1st place in the poster presentation category at Gautam Buddha University during AMPERE'25, organized by the IAPS Local Committee, Noida, on 8 April 2025.

xvii. Certificate of Appreciation awarded to Divyanshi Chhabra (E24ECEU0031) from ECE (SEAS) for her successful tenure (2024–2025) as a member of the Events Department in Enactus Bennett University, recognizing her contribution to sustainable impact through entrepreneurship.

xviii. First Prize awarded to Team 'Beyond Vision' (Adhinoor Grover, Anant Sharma, Anchal Ojha, Divyanshi) in SEAS Ideathon 3.0 held on November 21, 2024, organized by the School of Engineering and Applied Sciences, Bennett University.

xix. Second Prize awarded to Team 'Synchrotron' (Pranit Nasipuri, Banaj Gupta, Jay Tyagi, Pulkit Agarwal) in SEAS Ideathon 3.0 held on November 21, 2024, organized by the School of Engineering and Applied Sciences, Bennett University.

xx. Third Prize awarded to ECE students Team 'Innovation Nexus' (Kanuja Bansal, Trishen Gupta, Aryan Singh) in SEAS Ideathon 3.0 held on November 21, 2024, organized by the School of Engineering and Applied Sciences, Bennett University.

xxi. Participation certificate awarded to Drik Paul (E24ECEU0019) from ECE, for participating in the Strategy Showdown held from January 31 to February 2, 2025, during the Annual Entrepreneurship Summit at IIT Roorkee.

xxii. Participation certificate awarded to Drik Paul (E24ECEU0019) for participating in SEAS Ideathon 3.0 held on November 21, 2024, organized by the School of Engineering and Applied Sciences, Bennett University.

xxiii. Certificate awarded to Drik Paul (E24ECEU0019) for successfully participating in TechArena 2025, a project showcase organized by SCSET Student Cabinet at Bennett University on January 15, 2025, recognizing innovation, teamwork, and problem-solving skills.

xxiv. Certificate of Completion awarded to Pulkit Agarwal (E24EECU0020) for successfully completing the HTML & CSS workshop conducted by Fullstack Club in collaboration with Xebia Academy.

xxv. Uday Sai (E22ECEU0012) from ECE, has secured prestigious paid internships at four premier DRDO research labs, including DLRL Hyderabad, GTRE, CABS, and ADE Bengaluru. He is currently contributing as an intern at Defence Electronics Research Laboratory (DLRL), Hyderabad.

xxvi. Mr. Agastasya Dahiya (E21ECEU0017)completed his internship at the University of Cambridge, UK under Prof. Luigi G. Occhipinti from October 2024 to April 2025 and has received an offer for admission to its M.Phil program.

xxvii. Mr. Choudula Kranthi Kiran Govind (E22ECEU0008) secured an internship at Faradworks Inc., USA, to work on modular block layout for reusable PCBs

xxviii. Ms. Kanika Chauhan (E22SOEP0079), ECE Research Scholar, has been selected (completed) for a 9-week research internship at National Chung Cheng University, Taiwan, under the Taiwan Experience Education Program (TEEP).

xxix. Agastasya Dahiya (E21ECEU0017), B.Tech ECE student, has been selected as a research student at the University of Cambridge under the guidance of Dr. Luigi G. Occhipinti. He has contributed to innovative projects in gesture recognition, RISC-V processor design, and machine learning-based voice conversion systems.

xxx. B.Tech. ECE students Agastasya Dahiya (E21ECEU0017) and Dhruv Wadhwa (E21ECEU0001), under the mentorship of Dr. Rohan Katti, have co-authored a research paper titled "Efficient Hand Gesture Recognition using Artificial Intelligence and IMU-based Wearable Device", published in IEEE Sensors Letters.

xxxi. B.Tech. ECE students Dhruv Wadhwa (E21ECEU0001) and Agastasya Dahiya (E21ECEU0017) secured All India 3rd Prize at the STMicroelectronics Innovation Fair 2024 for their development of wearable hand gesture recognition system.

xxxii. ECE students Mantra Bhatnagar, Ujjwal Manot, Priya Verma, Tejaswini B, Jai Sidhvik Pyla, and Mehul Bhatnagar won 1st prize at the Smart BU Hackathon, Sep, 2024

xxxiii. **Hansal Kachhara** has published a research paper on title "Digital Goldsmith: evaluating the traditional methods and exploring the potential of binder jetting 3D process for the Indian gold jewellery Industry", Gold Bulletin, 2025, 58:9 (SCIE), https://doi.org/10.1007/s13404-025-00361-1

xxxiv. Bhoovanieu Vaid has been selected SSPL DRDO New Delhi for internship, June-July 2025.

xxxv. Dhruv Nambiar and Daksh Agarwal has been selected in Philips Machine tools for internship June-July 2025.

xxxvi. Aarnav Malik has been selected in IIT Delhi for internship June-July 2025.

xxxvii. Shuhanee Krunal Patel has been selected in Honda Siel for internship June-July 2025.

xxxviii. B.Tech final-year student, Mr. **Shantanu Sharma**, has embarked on an inspiring entrepreneurial journey by launching his startup – **ZONOMO** Technologies Pvt. Ltd., with the support of Bennett Hatchery Foundation.

xxxix. Gautam Tyagi and Shreyansh Mann have secured a 2-month Core Technical Summer Internship at Maxop Engineering Company Pvt. Ltd., Gurugram, June-July 2025.

xl. Hansal Kachhara, a 3rd-year B.Tech Mechanical Engineering student, has secured a coveted Internship + Pre-Placement Offer (PPO) at Porter, one of India's leading logistics platforms. Internship Duration: 6 Months (Starting July 2025), Stipend: ₹40,000 per month, Full-time CTC: ₹10 LPA

xli. Our <u>B.Tech</u> Mechanical Engineering final-year student, Mr. Singireddy Venkata Narasimha Dora, on his selection to the M.S. Program in Industrial Engineering at <u>Arizona State University</u>, US.

xlii. Mr. **Hansal Kachhara**, a 3rd-year <u>B.Tech</u> Mechanical Engineering student at <u>Bennett University</u>, recently presented his conference paper titled "From Mine to Market: Optimizing Gold Jewelry Supply Chain Efficiency with Blockchain" at ICSCIS 2025, <u>Poornima University</u> (21st-22nd March 2025). This research, co-authored with <u>Prof. (Dr.) Mandeep Mittal</u>, Dr. <u>Mohammad Danish</u>, and <u>Prof. (Dr.) Abhay Bansal</u> was honoured with the **Best Paper Award!**

xliii. Ms. Nupur Nagar (BTech ME 3rd Year Student), under the supervision of Dr. <u>Neelanchali Asija Bhalla</u>, Associate Professor, Department of Mechanical Engineering, Bennett University, Greater Noida, successfully presented her research at the National Seminar on Recent Advances in Material Science and Nano-Technology (RAMSAN-2025) held on 27-28 February 2025 at K.K.P.G. College, Etawah, sponsored by C.S.J.M. University, Kanpur.

xliv. Ms. Nupur Nagar (<u>B.Tech</u> ME, 3rd Year) has successfully presented her research paper on "Shear Thickening Behaviour of Fumed Silica Dispersions" at the International Conference on Advancements and Innovations in Biotechnology (ICAIB-2025) held on 18th February 2025 at Bennett University, Greater Noida, India.

xlv. 24th Feb 2025: Our Btech 3rd students <u>V Vishal Asrith</u>, Sonal Garg & Shreyash Mann guided by Dr. <u>Jiyaul Mustafa, Ph.D.</u>, for this achievement! Looking forward to more collaborations in mechanical design, finite element analysis, and engine optimization.

xlvi. **19th Jan 2025:** publication of a research paper in the Vacuum Journal, by Mr. <u>Abhishek Kumar</u>, Dr. <u>Mohammad Danish</u> and Dr. <u>Saurabh Jyoti Sarma</u>.

xlvii. Four Projects were showcased by B.Tech ME students on 21st October 2024 : Live interaction with NAAC peer team.

S. No.	Project Name	Name of Students	Awards
1	Sentry Turret Tranquilizer	Bhoovanieu Vaid (E22MECU0018)	Best project suggested by NAAC Peer Team
2	Boldtec: Outdoor marketing through smart advertising	Dhruv Nambiar (E22MECU0009)	Participation certificate
		Bhuwan Baweja (E22MECU0017)	
3	Indoor Planter	V. Vishal Asrith (E22MECU0011)	Participation certificate
		Hansal Kachhara (E22MECU0002)	

4	Supra Car	Mariyam Khatib (E23MECU0006)	Participation certificate
		Suhanee Patel (E22MECU0001)	
		Puru Gupta (E21MECU0005)	

xlviii. Doctoral student Mr. Ravinder Kumar has been awarded the "Poster Presentation Award" in the INUP-i2i Users' Workshop, organized by IIT Delhi on 3rd November 2024.

xlix. Doctoral student Mr. Naveen Mendola won the first position in the oral presentation category in the "Dynamics Day Delhi- 2024" held at AMITY University Haryana on 16th November 2024.

l. First Year Engineering Physics students, Deepak S and Vivan Joshi, were in the team "**Pluvivolt**" who won the 2nd prize in the **SEAS Ideathon 3.0** organized by School of Engineering and Applied Sciences (SEAS), Bennett University on 21st November 2024.

(c) School of Management

1. About School

The mission of the School of Management is to contribute to national capacity and capability building by creating individuals who are prepared to tackle emerging challenges; to cultivate thought leadership, eagerness to learn and adapt and foster innovative and collaborative business growth ethically and inclusively. The school is dedicated to shaping future-ready business leaders through a curriculum blending rigorous academics, industry exposure, and ethical values. It offers undergraduate (BBA), postgraduate (MBA), and doctoral (PhD) programs, with specialisations such as finance, human resources, marketing, business analytics, operations, OB/ HR, and communications. The school emphasises values like social responsibility, ethical conduct, and sustainability in business practice. Through the CXO-lecture series, industry-led projects, internships, and workshops, students get the real-world inputs and a practical approach to problem-solving and respond to a changing environment in a social and global context. All this prepares students to be not just competent in business functions, but also socially aware, capable of innovation and leadership.

2. Programmes Offered & Enrolled Students Details

Programme	Number of Students
Bachelor of Business Administration	1233
Integrated BBA+MBA	10
Master of Business Administration	408

3. Events Organized by School (Including internal & external resource persons)

i. Zenith 2.0: The School of Management organized Zenith 2.0 as part of a two-day event held from 23rd to 24th April 2025. The event served as a vibrant platform for students to showcase their management skills, creativity, and teamwork through various competitions and interactive sessions. The activities encouraged collaboration, leadership, and innovation among participants, contributing to the overall experiential learning environment of the School.

ii. BBA Farewell: The BBA Farewell for the outgoing batch was conducted by the School of Management on 6th May 2025 from 2:30 PM to 4:45 PM. Coordinated by SOMCOS, the event was attended by 52 students. It was an emotional and memorable afternoon filled with cultural performances, reflections, and expressions of gratitude, marking the culmination of the students' undergraduate journey, and celebrating their accomplishments.

iii. MBA Farewell: The School of Management hosted the MBA Farewell on 28th May 2025, from 1:45 PM to 5:00 PM, coordinated by SOMCOS. A total of 49 MBA students participated in the event, which was designed to honor the graduating batch and acknowledge their academic and personal growth over the course of their program. The farewell featured speeches, student performances, and moments of appreciation, fostering a sense of camaraderie and pride among the participants.

iv. MBA Global Immersion Program – Batch 1 (2024–26): The MBA Global Immersion Program (Batch 1) was conducted from 25th to 30th August 2025 by the School of Management in collaboration with the International Affairs Team. Coordinated by Dr. Shikha Mittal, Dr. Sourabh, and Ms. Neeta Chaudhary, the program involved 82 students from the MBA 2024–26 batch. The immersion offered global exposure through lectures, workshops, and industrial visits abroad, enriching students' understanding of international business practices and cross-cultural management.

v. MBA Global Immersion Program – Batch 2 (2024–26): The second phase of the MBA Global Immersion Program (Batch 2) took place from 23rd to 29th September 2025. Coordinated by Dr. Vijay Prakash and Dr. Indu Sharma, the program included 120 students from the MBA 2024–26 batch. It provided participants with a unique opportunity to experience global business environments, engage in academic interactions with international institutions, and develop a broader perspective on leadership and innovation in a global context.

vi. Industrial Visit to Mother Dairy (18 September 2024): An industrial visit was organized for BBA students on 18th September 2024 to Mother Dairy, under the guidance of Prof. Ayanjit Sen and Dr. Ruby Sengar. The one-day visit aimed to provide students with practical exposure to the operational and production processes at Mother Dairy, offering them insights into real-world business functions, supply chain mechanisms, and quality control systems.

vii. Industrial Visit to Mother Dairy Plant, Patparganj (12 September 2024): A one-day industrial visit to the Mother Dairy Plant, Patparganj, was organized for BBA students on 12th September 2024 by Dr. Nishant Singh and Dr. Laxmi Gupta. The visit enabled students to understand the industrial setup, production workflow, and business strategies of one of India's leading dairy brands, thereby bridging the gap between academic learning and industrial practices.

viii.   Guest Lecture on "Enhancing Business Acumen: Essential Methodologies for Strategic Decision-Making" (7 September 2024): A guest lecture was conducted for BBA students on 7th September 2024, organized by Dr. Sobhith Mathew Jose and Dr. Shikha Mittal Shrivastav. The session was delivered by CA Srushti Mantri, who shared expert insights on the theme "Enhancing Business Acumen: Essential Methodologies for Strategic Decision-Making." This one-day interactive lecture enriched students' understanding of analytical thinking, strategic planning, and practical decision-making tools relevant to the business world.

6. MOUs Signed by the School & its Activities

In A.Y. 2024–25, the School of Management at Bennett University focused on deepening its existing academic and industry engagements rather than formalizing new MOUs. The year was marked by a series of impactful internal initiatives aimed at enhancing student learning, faculty development, and industry readiness. The school organized domain-specific workshops, leadership bootcamps, and guest lectures featuring CXOs and policy experts, integrating real-world insights into classroom pedagogy. Experiential learning was prioritized through live projects, case competitions, and analytics labs aligned with the MBA program's core values of *Innovation, Rigour, Engagement,* and *Student Centricity*. Faculty members contributed to thought leadership through research publications and participation in national conferences. While no new MOUs were signed, the School of Management continued leveraging its existing partnerships and internal resources to deliver a future-ready business education, reinforcing Bennett University's commitment to excellence and relevance in management studies.

7. Labs and Equipment

The School of Management (SOM) at Bennett University continued to strengthen its experiential learning ecosystem through specialized labs that bridge theory with practice. The Finance Lab enabled students to simulate trading environments, analyze market trends, and explore portfolio strategies using real-time data. The Analytics Lab supported hands-on training in data visualization, predictive modeling, and business intelligence tools such as Power BI and Tableau. The Innovation & Entrepreneurship Lab fostered ideation, prototyping, and startup mentoring, aligning with Bennett's emphasis on entrepreneurial thinking. These labs were integrated into core and elective courses across MBA and BBA programs, allowing students to apply classroom concepts to real-world business challenges. Faculty-led lab sessions, industry workshops, and student-led projects enhanced skill development in areas like financial modelling, consumer analytics, and digital transformation. SOM's lab infrastructure reflects its commitment to Innovation, Rigour, Engagement, and Student Centricity, preparing graduates for dynamic, data-driven careers.

- Radio Studio
- MoJo Lab
- iMac and Windows Lab
- Software Proficiency

8. Guest Speakers & International Guest Visits to School

i.   **October 15, 2024:** Dr Shahi Shaika, Academic Project Head, Hollyland Microphones, Japan. Dr Shahi conduct a session on wireless microphones for TSOM student to understand the power of the new set of equipment and the advantages of technology visited Bennett University on October 15, 2024.

ii. **October 10, 2024**: Dr. Tilak Jha invites BBC Head of Compliance Rajesh Priyadarshi to speak on the impartial journalism on 10 October 2024
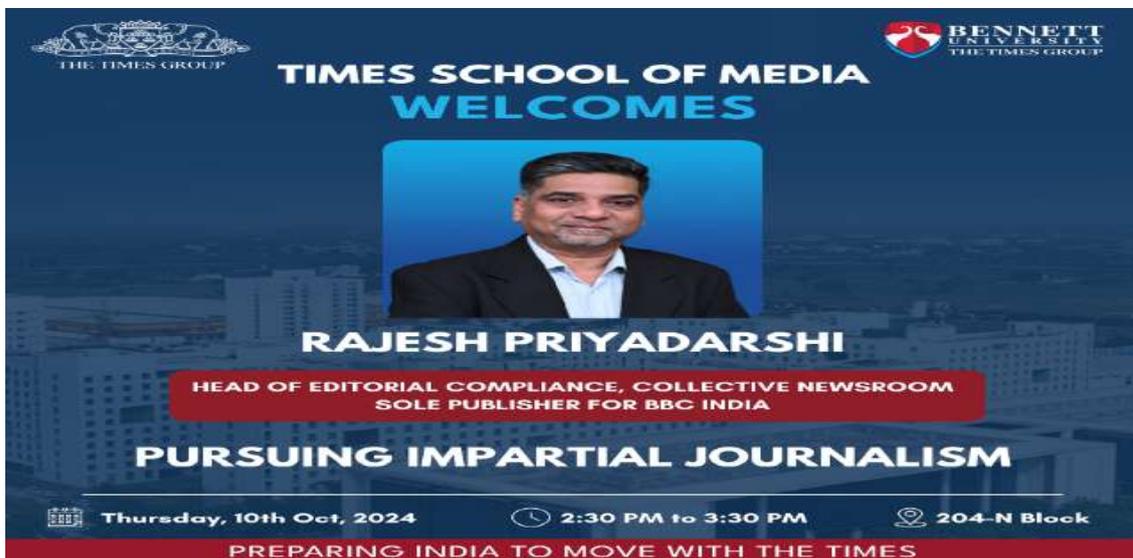

iii. **October 24, 2024**: HR Head Kiran Chahal visited Bennett University for HR Panel discussion at TSOM, Bennett University on 24 Oct 24.

iv. **August, 27, 2024**: Anna Oakes – Columbia School of Journalism Grad student and co-host and lead producer of Radiotopia's Bot Love visited Bennett University on 27 Aug 24.

v. RT Presenter Nikki Aaron visited Bennett University on 6 Feb 25 for Masterclass organised by TSOM.

vi. Dr. Nick Hall, Head of Department, Department of Media Arts, Royal Holloway University of London, UK visited Bennett University on 5 March, 2025 for Masterclass organized by TSOM.

vii. Caroline Libresco, a renowned film curator, producer, and creative executive. head programmer at the Sundance Film Festival Rachel Gandin Mark from University of Southern California, School of Cinematic Arts visited Bennett University on September 12, 2024.

viii. Miri Urman, Award Winning documentary filmmaker and reality TV producer from Israel visited Bennett University on September 10, 2024.

9. Field Visits by Students

i. April 4, 2025: Dr. Tilak Jha took TSOM students to Bharat Mandapam on for Startup Mahakumbh.

ii. **October 31, 2024**: Dr. Tilak Jha organised Ethnographic field trip for TSOM students to Dhanauri village with Prof. Stefano Beggiora of Ca Foscari University, New Delhi on 31 Oct 24.

iii. **January 27, 2025**: Dr. Tilak Jha took TSOM Students to Israel Holocaust Day in Delhi.

iv. **January 27, 2025**: Dr. Tilak Jha took TSOM students to Tuli Research Centre photography

exhibition on Indian Freedom Struggle held at India Habitat Centre.

v. **April 11, 2025**: Dr. Tilak Jha took Bennett Astronaut Club students to Russia House for a session by two Russian Cosmonauts on 11 April 2025

10. Student's Achievements

i. BAJMC 3rd student Prithvi Abhay Shankergowda nominated for INTI University, Malaysia semester exchange fellowship. Dr. Tilak Jha coordinated the exercise along with TSOM Int'l committee for BAJMC/BAFTW students.

(g) School of Artificial Intelligence

1. About School

The School of Artificial Intelligence (SoAI) at Bennett University is a first-of-its-kind in the country, with a curriculum designed to tackle to fundamentals of AI arising from mathematical, physical, statistical and computational sciences, with an aim to empower students to make informed and calibrated steps into engaging with research academia and industry simultaneously.

The school is committed to excellence in education, research, and innovation in the field of Artificial Intelligence. SoAI envisions becoming a global leader in AI education and a significant contributor to the global AI-driven economy.

It offers industry-oriented programs designed to meet diverse learning needs and promote interdisciplinary research collaborations addressing real-world challenges. SoAI has submitted research proposals of Rs. 30+ crore in collaboration with benchmark institutions/industries in the area of research. Emphasizing ethical AI practices and responsible innovation, the school actively fosters engagement among students, researchers, industry professionals, and policymakers to cultivate a dynamic and sustainable AI ecosystem.

2. Programmes Offered & Enrolled Students Details

Programme	Number of Students
Bachelor of Technology (Artificial Intelligence)	24

3. Events Organized by School (Including internal & external resource persons)

The School of Artificial Intelligence (SoAI) organized impactful events in A.Y. 2024–25, fostering innovation, ethics, and interdisciplinary learning. Key highlights included the IEEE Women in Engineering Hybrid Meet, IGNITE 360° celebrating women in STEM, AURA-SHIELD on AI and cybersecurity, and Green Pulse for Earth Day.

i. School of Artificial Intelligence has organized 2nd workshop on High-throughput Vision based Phenotyping (HTVP'24) in conjunction with 9th National Conference on Computer Vision, Pattern Recognition, Image Processing and Graphics (NCVPRIPG 2024), Thiruvananthapuram, Kerala from 18 to 20 July 2024.

ii. School of Artificial Intelligence has organized LEAF INSPECT challenge in conjunction with 27th International Conference on Pattern Recognition (ICPR2024), at Kolkata, India on 1st -4th December 2024.

iii. School of Artificial Intelligence has organized Workshop on Infrared Computer Vision in conjunction with 27th International Conference on Pattern Recognition (ICPR2024) sponsored by IAPR at Kolkata, India on 1st December 2024.

iv. School of Artificial Intelligence has organised five-day International Faculty Development Program (IFDP) on the topic "Transformational Power of Artificial Intelligence" held on 25th - 29th November 2024, during the academic year 2024-2025.

v. School of Artificial Intelligence has organised one-day Staff Development Program organized on the topic "Generative AI for Skill Enhancement" held on 9th November 2024, during the academic year 2024-2025.

vi. School of Artificial Intelligence has conducted a value-added course on "AI for Everyone" during the academic year 2024-2025.

vii. Prashant Tibrewal, Alumni of MIT Sloan School of Management (USA) delivered an expert talk on "Navigating Entrepreneurship & Other Career Paths in AI After College." (Sept 12, 2024).

viii. Dr. Soumya Banerjee, the University of Cambridge on Artificial Intelligence: Benefits, Challenges, and Risks, (Aug 12, 2024).

ix. Dr. Rohit Sharma, IIT, Kanpur on Entropy in Astrophysics, shedding light on its relationships to solar physics and machine learning, (April 26, 2025).

x. Prof. Rajesh Sharma, University of Tartu, Estonia on "Social Media Analytics for Making Online Platforms Safer ", (Oct 24, 2024).

xi. Guillome Lorin screened the movie "Vanille" and delivered a discussion session on the role of AI in animation, (Jan 31, 2025).

xii. School of Artificial Intelligence organized the IEEE Women in Engineering Hybrid Meet on 8 March 2025, in collaboration with SCSET, to mark International Women's Day. The event featured Dr. Yajnaseni Dash (Assistant Professor, SoAI), along with other distinguished speakers from academia and industry, highlighting the empowerment and leadership of women in STEM.

xiii. School of Artificial Intelligence hosted IGNITE 360° on 7 March 2025, celebrating women in STEM through a dynamic showcase of innovation and mentorship. The event was supported by the Pernod Ricard India Foundation, with Anantika Singh (General Manager – CSR, Pernod Ricard India) as a featured speaker on Radio Mirchi's '98.Stree FM' segment.

xiv. School of Artificial Intelligence launched *Green Pulse* on 22 April 2025 to commemorate Earth Day, in partnership with IEEE UP-GENS. The online event featured sustainability thought leaders and was themed *"Our Power, Our Planet."* It was curated by Dr. Yajnaseni Dash, bringing together voices for ecological stewardship and AI-driven environmental innovation.

4. Faculty Participation in Faculty Development Programme (FDP), Workshops, Conference, Seminars, etc.

5. Achievements/Awards (National/international) Won by Faculty Members During the AY 2024-25:

i.   Dr. Yajnaseni Dash won the Best Paper Award at the 3rd International Conference on Communication, Security and Artificial Intelligence (ICCSAI 2025) organised by Galgotias University for the paper titled "Graph Convolutional Network-Driven Adaptive Learning Framework for Fraud Detection in Complex Transactional Cryptonetworks" on dated 6th April 2025.

ii. Dr. Pratyush Pranav has been invited as an external member of the Dark Energy Survey Consortium (DES), a collaboration between top international Universities to deploy the dark energy survey telescope and to analyze the stremed data to understand the fundamental nature of Dark Matter and Dark Energy.

iii. Dr. Dinesh Kumar, Associate Professor delivered a talk on "Potential AI in sustainable development" in online seminars organised by Emeraldgears Initiative Foundation (EGIF) Global in collaboration EG – Word Academy and C3PC Research Foundation, on 21 September 2024

iv. Dr. Yajnaseni Dash was invited as a keynote speaker to present "Driving Artificial Intelligence in Sustainability: Redefining Green Solutions" at the All-India Seminar on Greens, jointly organized by the Institute of Engineering and Technology (IET), Lucknow, and Institution of Engineers (India), Lucknow, IEI UPSC on February 5, 2025.

v.   Dr. Yajnaseni Dash was invited as a keynote speaker to deliver a lecture titled "Deep Learning: A Journey from Basic Neural Networks to Advanced Architectures" as part of the IEEE WIE UP Section (India) Lecture Series on November 8, 2024.

6. Labs and Equipment

The School of Artificial Intelligence (SoAI) at Bennett University is a vibrant hub for cutting-edge research, experiential learning, and interdisciplinary innovation. Equipped with advanced GPU-enabled systems and AI development platforms, SoAI hosts specialized labs focused on deep learning, cognitive computing, cybersecurity, and sustainability. These labs empower students and researchers to explore real-world applications—from emotion-aware systems and ethical AI to smart infrastructure and environmental analytics. Signature initiatives like AURA-SHIELD (AI & cybersecurity), Green Pulse (Earth Day), and IGNITE 360° (women in

STEM) reflect SoAI's commitment to societal impact and inclusive excellence. Faculty-led projects and student prototypes are regularly incubated through Bennett Hatchery, fostering entrepreneurial thinking and industry collaboration. With a curriculum aligned to global benchmarks and a strong emphasis on hands-on problem solving, SoAI is shaping the next generation of AI leaders who are not only technically proficient but also ethically grounded and sustainability driven.

7. Guest Speakers & International Guest Visits to School

During A.Y. 2024–25, the School of Artificial Intelligence (SoAI) hosted distinguished academicians, industry experts, and professional leaders who shared valuable insights on Artificial Intelligence, sustainability, and research ethics.

Sl. No.	Name of Visitor(s)	Date of Visit	Purpose
1	Sustainability Experts – IEEE UP-GENS Working Group	April 22, 2025	Green Pulse – Earth Day 2025 event on AI-enabled climate action and environmental stewardship
2	Industry Professionals and Innovators	April 16, 2025	IGNITE 360° – IEEE WIE Lecture Series on mentorship, innovation, and entrepreneurship
3	Eminent Speakers from SEAS and SoAI	March 21, 2025	Seminar on "Harmony in Progress: Research, Technology & Spirituality"
4	Distinguished IEEE Speakers	March 8, 2025	1st Hybrid Meet on International Women's Day – Women's empowerment and leadership in STEM
5	Dr. Akash Bachhuka	January 13, 2025	Guest lecture on chemical research and catalysis

Throughout these events, SoAI fostered meaningful international and industry engagement, enriching academic exposure and strengthening the School's global and professional linkages.

8. Field Visits by Students

i. On 28 February 2025, students from the School of Artificial Intelligence (SoAI) visited the Times Network Newsroom at *Noida Film City* for an industrial field visit titled *"Inside the Newsroom: BU School of AI Students Visit Times Network."*

Industry Visit to Film City Noida

ii. Students attended the Startup Mahakumbh 2025, held in Bharat Mandapam New Delhi, which brought together innovators, investors, and entrepreneurs from across India. The visit exposed students to emerging technologies, startup ecosystems, and the entrepreneurial applications of

AI in various industries. This interaction broadened their understanding of innovation, business strategy, and the practical potential of AI in the startup landscape.

Startup Mahakumbh 2025

10. Student's Achievements

i.   Jasneet Kaur (B.Tech AI 2nd year student) successfully completed a 55 day summer internship project with Housify Homestel.

ii. Anant Arya (B.Tech AI 2nd year student) successfully completed an internship with Personifwy between 1st march and 30th April, 2025 on fundamentals of artificial Intelligence.

iii. Anant Arya completed an internishp with I-Hub Fundation for Cabotics, IIT Delhi, between 7th June and and 7th July 2025.

iv. Krrish Singh successfully completed a virtual internship with Deloitte on the topic of Cyber job simulation in March 2025.

(h) School of Design

Launched on February 5, 2025, the School of Design at Bennett University is a vibrant ecosystem for thinkers, makers, and dreamers—those who seek to shape the world through creativity and human-centred innovation. The school offers four-year Bachelor of Design (Hons.) program with specialisations in:

- Advanced Animation & VFX (in partnership with CII)
- Fashion Design
- Communication Design
- Game Design

The curriculum blends theoretical foundations with experiential learning, supported by industry partnerships, live projects, and global collaborations. The launch event featured a roundtable on "Redefining Creativity in the Age of AI" and a hands-on workshop on "The Power of Colour in Branding."

In A.Y. 2024–25, the School of Design signed two landmark MOUs:

- With Kent State University (USA) for a Global Dual Degree in Fashion Design (May 26, 2025)
- With Whitecliffe Global (New Zealand, Australia, Germany) for academic exchange and concessional overseas study (March 20, 2025)

To support hands-on learning, the school houses state-of-the-art labs:

- Ceramic Lab: A studio for clay-based projects like pottery and sculpture, equipped with kilns, pottery wheels, and glazing stations.
- Fashion Lab: A garment construction studio with pattern-making tools, sewing machines, and drafting tables for sustainable fashion exploration.
- Textile Lab: A hybrid space for traditional and modern textile techniques, featuring Ashford handlooms, flatbed printing, block printing, dyeing equipment, and shibori/clamp dyeing setups.

These facilities empower students to explore materiality, storytelling, and innovation across disciplines. From July 2025, the School of Design will continue offering its four B.Des (Hons.) specializations, welcoming a new cohort of aspiring designers ready to turn ideas into impact.

LEARNING RESOURCE CENTRE (LIBRARY)

The Learning Resource Centre (LRC) at Bennett University is a technology-enabled academic hub designed to support students, scholars, and faculty in their pursuit of excellence.

Featuring state-of-the-art infrastructure, the LRC offers a vibrant and inclusive environment for learning and research. Its expansive collection—curated from globally renowned publishers—caters to diverse academic disciplines and includes dedicated leisure reading sections. High-speed internet terminals ensure seamless access to a wide range of digital resources, all meticulously aligned with the university's curriculum and scholarly needs.

Bennett University's Learning Resource Centre (LRC) is fully automated using KOHA-ILMS, integrated with RFID technology for seamless operations.

RFID-enabled gates and kiosks allow users to borrow books using smart cards. The LRC offers a mobile app for accessing e-resources and key services. Remote access is enabled via Refread Digital Library Services, supporting off-campus learning and research.

All Bennett University community members enjoy 24/7 remote access to subscribed e-resources.

RFID-enabled Patron Traffic Counters (PTCs) are installed across libraries to track user engagement. Subject guides are currently being developed using the open-source Subjects Plus platform to align learning resources with the academic curriculum.

The Learning Resource Centre (LRC) at Bennett University launched Digital Repository Services (DRS@BU) to systematically capture, organize, preserve, and share the University's intellectual output.

Accessible both on and off campus, the DRS hosts BU Publications and scholarly assets. The LRC has published five editions of the BU Research Compendium, accompanied by detailed research matrices reflecting institutional progress

The Learning Resource Centre (LRC) at Bennett University has built a dynamic portal using WordPress CMS to share real-time updates on resources, services, and facilities.

Inspired by global best practices, the LRC has also launched innovative research support services to enhance scholarly activity across the university.

The Learning Resource Centre (LRC) offers research support services including bibliometric analysis, literature review assistance, citation and indexing guidance, and plagiarism checks.

To align resources with the curriculum, LRC is also developing "Subject Guides" using the open-source Subjects Plus platform.

Bennett University's Learning Resource Centre (LRC) hosts the Open Journal System (OJS) for managing and publishing academic journals. Developed by the Public Knowledge Project, OJS supports submission, peer review, publication, and indexing—ensuring accessibility, functionality, and visibility of BU journals.

Institutional Memberships

Learning Resource Centre has taken membership of following institutions to support Teaching, Learning and Research activities at the Bennett University

- British Council Library, Delhi: Offers BU faculty and students access to global literature, science, art, and business resources, including books and e-resources.
- iHub (American Centre Library): Open for public reference and research; membership provides extended privileges.
- National Digital Library of India (NDLI): A government-supported virtual repository offering multilingual, multi-disciplinary resources for students, researchers, and lifelong learners.
- Shodhganga: Open-access platform for depositing and accessing PhD theses across Indian institutions.
- DELNET: BU's LRC is a member of this global network of 6000+ libraries, enabling inter-library resource sharing with premier institutions like IITs, IIMs, and NITs.
- e-ShodhSindhu: MHRD-led consortium providing access to a wide range of e-resources for higher education institutions in India.

RESEARCH OUTCOME

The Bennett University's continued commitment to fostering a research-driven environment has led to notable achievements across diverse disciplines. This resulted in significant progress in research and innovation during the academic year 2024–25.

The University has established a comprehensive framework of Research Policies and Guidelines to strengthen its research ecosystem and uphold the highest academic standards. These include the Rules and Regulations for Ph.D. Programs and the Academic Integrity and Anti-Plagiarism Policy, which together ensure quality and ethical conduct in research. To further promote excellence and innovation, Bennett University has implemented the Seed Grant Policy for faculty, the Sponsored Research Policy, the IP Policy, and the Code of Ethics for Research, as well as guidelines for the Utilization of Research Development Funds Generated Through Sponsored Projects, ensuring efficient management and optimal use of research resources.

Sponsored Research Projects

Bennett University has actively pursued sponsored research projects — a total of 50 projects funded by national and international organizations, as well as the corporate sector, including ICSSR, DST, DBT, and ANRF. These projects address real-world challenges across artificial intelligence, computer science, applied sciences, management, and media. The University's interdisciplinary approach fosters collaboration across fields, resulting in innovative and impactful outcomes. In addition, the University has provided Seed Funding for 46 projects, which further fuels faculty members to initiate promising research ventures.

Publications and Patents

The academic year 2024–25 witnessed a significant rise in high-quality publications and patents. Faculty and researchers actively contributed to prestigious journals and conferences, sharing their work globally. The establishment of several Honorary Research Chair Professorships has strengthened the University's research ecosystem and attracted philanthropic support. Research output has resulted in more than 222 IP published.

Owing to these concerted efforts, Bennett University's Scopus h-index has reached 74+, underscoring its growing research impact.

Ph.D. Program and Research Scholars

Bennett University's Ph.D. program continues to attract talented researchers engaged in cutting-edge work. The University provides comprehensive support to Ph.D. scholars — including financial assistance, mentorship, and opportunities to present their research at national and international conferences.

The University strictly adheres to the norms and guidelines issued by the University Grants Commission (UGC), New Delhi. In 2024–25, with 330+ active Ph.D. scholars across disciplines, Bennett's research and innovation ecosystem continues to grow stronger each year.

Recognition & Awards for Research & Innovation

Bennett University earned multiple recognitions for its research and innovation excellence. Eleven faculty members were listed among Stanford's Global Top 2% Scientists, and several others received prestigious awards and fellowships in their respective domains.

The University's achievements in patents, funded projects, and publications reflect its commitment to academic excellence and scientific advancement, further establishing its reputation in the national and international research community.

Research Infrastructure

Bennett University houses state-of-the-art research facilities that support cutting-edge innovation. These include specialized laboratories across disciplines — such as an NVIDIA Supercomputer for deep learning, an Apple iMac lab for multimedia projects, and advanced optics and magnetic resonance labs.

The University also hosts multiple multidisciplinary research centres focusing on contemporary areas, particularly sustainability, enabling high-impact research and collaboration.

Research Events and Seminars

Throughout 2024–25, the University organized numerous international and national events to encourage knowledge exchange and innovation. These included expert lectures, roundtable discussions, and workshops on emerging technologies. Notable events included:

- India Research Tour (IRT) 2025 by Springer Nature & the Ministry of Education
- Faculty Development Programme (FDP) on Research Ethics
- International Conference on Society, Culture, and Technology in collaboration with Erasmus University and Calgary University
- International Conference on Artificial Intelligence & Emerging Technology in collaboration with IEEE

Bennett University's achievements in 2024–25 underscore its unwavering commitment to research excellence, supported by robust infrastructure and a culture of collaboration. As it continues to expand its research endeavors, the University is well-positioned to make even greater contributions to academia and society in the years ahead.

CENTRE FOR INNOVATION AND ENTREPRENEURSHIP

Bennett Hatchery Foundation, a Section 8 company under the Centre for Innovation & Entrepreneurship (CIE), drives incubation at Bennett University through three verticals—Academics, Hatchery, and SPARK (student E-Cell). Recognized by Startup India, MSME, and StartinUP, an initiative of Uttar Pradesh Govt., it supports early-stage ventures with mentorship, infrastructure, funding, and industry linkages. With ₹5.75+ crore secured from national schemes, the Hatchery has incubated 60+ start-ups to date, including 15 new ventures in 2024–25, and is currently nurturing over 200 ideas.

Facilities & Support

- Plug-n-play co-working and digital conference rooms
- Dedicated incubation and mentoring spaces
- Advanced laboratory access (IoT, Nano Tech, Bio Tech)
- Supercomputer access for data and AI-driven start-ups
- Partner credits, access to capital, investor connects, and government schemes support

QUALITY ASSURANCE SYSTEM

The Internal Quality Assurance Cell (IQAC) at Bennett University serves as the cornerstone of institutional excellence, driving continuous quality enhancement in line with UGC and NAAC standards.

With a strategic focus on academic rigor, research innovation, and entrepreneurial growth, the IQAC fosters a culture of benchmarking, outcome-based practices, and stakeholder engagement. Quality parameters are embedded across teaching-learning processes, governance, and student support systems to ensure holistic development and global competitiveness.

As part of its NAAC accreditation journey, Bennett University successfully submitted its Institutional Information for Quality Assessment (IIQA) and Self-Study Report (SSR). The NAAC Peer Team visit was completed, and the university has been awarded its official accreditation grade "A+" with a score of 3.48 out of 4, affirming its commitment to quality assurance and national recognition.

During the academic year 2024-25, the following initiatives were taken by IQAC:

ACADEMIC & INDUSTRY COLLABORATIONS AND PARTNERSHIPS

Bennett University continues to strengthen its academic and industry linkages through strategic collaborations that enrich the learning and research ecosystem for students and faculty. Spearheaded by the International Relations and Corporate Outreach (IRCO) department, these partnerships facilitate high-impact opportunities for research, global study programs, internships, placements, and cross-cultural exchange.

In the latest phase of expansion, Bennett University signed 14 new MoUs, bringing its total international collaborations to over 85 universities worldwide. Additionally, the University maintains active partnerships with more than 20 leading industries, ensuring that academic engagement remains closely aligned with evolving industry demands. Through regular joint activities, students gain the exposure and skills needed to emerge as globally competent professionals equipped to address complex, real-world challenges.

Key Collaborative Initiatives

1. **Exchange Programs**: Facilitating student and faculty exchanges with renowned universities worldwide.
2. **Joint Research Initiatives**: Partnering with academic institutions and industries to conduct cutting-edge research.
3. **Knowledge Transfer**: Sharing expertise and resources to foster innovation and development.
4. **Professional Development Programs**: Offering internships and professional training to align academic learning with industry needs.
5. **Entrepreneurial Development**: Providing incubation support and entrepreneurship training to help students transform ideas into viable ventures.
